Jenni Pulos of **Bravo's Flipping Out** and **Interior Therapy** stopped by **George the salon's** new location in the Gold Coast at 945 N. Rush Street yesterday (www.georgethesalon.com). Owner and celebrity stylist George Gonzalez styled her hair before her talk show appearance on *You & Me This Morning*. Her **makeup** was done by **Stella Mikhail**.

We'd seen Mikhail's dramatic makeovers on *The Oprah Winfrey Show*. And we were equally impressed when she evened out our blotchy complexion with airbrush foundation, then pumped up our cheeks and lips with rosy colors. After coaching us on replicating her techniques, we felt like we'd unlocked the secret—to flawless makeup.

Hair Tip: To beat the Chicago rain, George reached for **Kerastase Nutritive Sérum Oléo-Relax**. This

smoothing oil is ideal for taming rebellious hair and providing long-lasting frizz control.

Services offered in the salon

Services range from cutting, conditioning and styling to coloring and special treatments, George has assembled the perfect balance of offerings and products gauged with your experience in mind. Whether your visit receives George's personal touch, or any one of his masterful stylists, you'll walk away from George the Salon feeling relaxed,

pampered and confident that you look and feel your absolute best. **George the salon now offers spa services in the new space like facials and waxing.**
