ZUHAIR MURAD PRIVATE SHOPPING EVENT AT DIMITRA'S BRIDAL COUTURE

Chicago's tastemakers and local brides-to-be came together at Dimitra's Bridal Couture for an exclusive viewing of the current Zuhair Murad bridal collection. Guests experienced true luxury at the gorgeous Gold Coast boutique, as they viewed the Zuhair Murad Collection in a private vignette setting with close family and friends while also enjoying savory culinary creations from The Estate featuring brunch bites, tasty treats and a custom champagne bar. The luxury wedding event decor was created by Navjot Design, Bowery & Bash and inspired by Michelle Durpetti Events. Throughout the event, brides received tips from personal stylist Caroline Shaw, mini consultations from celebrated hair stylist Robyn Tornabeni, beauty tricks from Stella Mikhail and talked with Kingensmith Photography about their big day.
